COMBINE TWO BUSINESS DEGREES AND START YOUR CAREER WITH A GLOBAL ADVANTAGE.

FIVE LEADING BUSINESS SCHOOLS HAVE JOINED TOGETHER TO CREATE A NEW GLOBAL DUAL DEGREE PROGRAM FOR RECENT COLLEGE GRADUATES.

Through the M2M, students choose master’s degrees from two of the five schools and gain both a foundational business education and the global perspective that comes from studying and living in diverse countries. Students benefit from the career resources, networks, and distinctive strengths of two leading business schools. They enter the job market with key advantages over their peers.

**ACADEMIC EXPERIENCE**

In addition to completing coursework at each institution in which they enroll, M2M students participate in cross-school programs that build relationships across the M2M cohort and strengthen global business skills. These programs include virtual teamwork and collaborative exercises as well as discussion of issues of worldwide import with experts convened by the participating schools.

**APPLICATION INFORMATION**

The M2M program is intended for students immediately out of college or with less than three years of work experience.

There are two ways to enter the M2M program:

- Apply to two schools simultaneously before beginning studies.
- Apply to a Year 2 school while already enrolled in or after completing a Year 1 program.

M2M students will pay the tuition of the school where they are in residence, and that school will independently allocate any scholarships or financial aid to the student for its program.
